

Cambridge Health Alliance Readiness for Gambling Expansion (CHARGE)

Host Data Reporting Form

Gambling Disorder Screening Day
March 9, 2021

Thank you for hosting Gambling Disorder Screening Day. Screening Day is an international grassroots initiative made possible by people like you.

Please complete this optional form about the individuals whom you or your organization invited to participate and screened today. This information helps us estimate Screening Day need, reach and other indicators of progress.

Please do not include any Patient Health Information, such as patient name, on this form.

Total number of individuals invited to be screened: _____

Total number of individuals screened: _____

Total number of individuals with a positive screen (i.e., answered "yes" to at least one question): _____

Among those with a positive screen, please record the following information:

Gender: _____ Males _____ Females _____ Other/Unknown

Age: _____ 18 – 25 _____ 26 – 40 _____ 41 – 55 _____ 56+

Please send completed forms to: klandauer@cha.harvard.edu
